## EXPERTISE AND LANGUAGES

---

**Accounts payable/receivable, billing and payment services, general ledger, payroll and utilities**

**English, Russian, German, Serbian**

Ivana has been working at TSG Law Office from its very beginnings in 2000.

She preferred math over her studies and became Head of our Finance & Accounting Unit. She is the person in charge of issuing or paying the invoices. She carries out her work with as much precision and efficiency as possible. She is particularly happy to collaborate with old associates and friends, in relations built on mutual trust and respect.
